Project AWARE Foundation is the only nonprofit organization tackling ocean protection from beneath the surface. Every gift helps drive measurable change for our ocean planet.

Your gift makes a real difference by:

- Organizing **Dive Against Debris** actions in 180 countries of the world
- Campaigning to protect the world's most **threatened shark species**
- Mobilizing divers worldwide to **collect critical data** underwater
- Supporting **marine protected areas** (MPAs) and protecting vital ocean areas
- Presenting **critical findings** and **organizing key political meetings** for change
- Giving grants for **grassroots ocean protection efforts** worldwide.

Thank you for your gift.
